INFORMATION *Who am I...*

“Focused, hard working, creative professional with more than 10 years of art and design experience.”

I have worked on a wide variety of projects ranging from advertisement to programming and website design to game design. I take on every project as my own and I am focused on surpassing expectations of the product while keeping the deadline in mind. I push myself to learn new and better techniques and programs everyday. *“If I don’t know it, I’ll learn it!”*
